*Band has office hours. No other connection class will have office hours. 4th Quarter connections classes will start when we return to school.

*A schedule of Digital Office Hours is posted above. Students should log into their teacher's Blog (Edmodo, Weebly, etc.) during those hours to receive instruction and the next assignments.

*All assignments for the week will be posted on the day/time of your teacher's office hours. Students have until the start of the following week's start day/time of office hours to complete the task.

*Assignments will be checked for completion, accuracy, and constructive feedback will be provided to help students build understanding.

*There will be no grades given during our Digital Learning Plan; therefore, no grades will be entered into Synergy. We strongly encourage students to keep up with the assignments.

* All assignments will be followed up with an answer key within 2 or 3 days of the office hours for that class.

*Students should email the teacher with any specific questions about the assignments. Teachers will check email every day (Monday-Friday). Teachers will respond to all emails within 24 hours (M-F). For example, an email received on Friday at 12:00 PM will be returned by Monday at 12:00 PM.

*If you, the parent has concerns, you should first email the teacher. Any additional concerns can be addressed with the grade level administrator. Administration will also follow the 24-hour rule for response (M-F).
